This beneficial insect and beneficial mite food supplement contains proteins, fats, fiber, ash, calcium, phosphorus, sodium, 18 amino acids, 8 vitamins, lactose and sucrose. It can be used indoors and outdoors.

Suggested Instructions: Use 4 oz. to treat ≈3,000 sq. ft. Mix with water and spray on plants. For smaller areas, mix 1 tbsp. with 1 gal. of water. Mix 1/2 lb. of meal with 5-10 gal. of water to treat 1 acre. Can also be applied directly to plants as a powder or mixed into a slurry and used as a paste on plants, paper plates or sticks to be placed among plants. Makes a great nectar source for butterfly feeders.

Caution: Keep out of reach of children, avoid inhalation and eye contact. If product comes into contact with eyes, flush thoroughly with water. Do not reuse container.

Not for ingestion by humans or animals.
