All ingredients are either: natural, plant-based, or naturally-occurring.

TWEETMINT is so versatile, it is easier to ask "what won't it clean?" Tackle every tough task with all-in-one TweetMint. Experience the awesome power of active enzymes. The scent of refreshing mint rejuvenates the senses and the results will astonish you! Replace your clutter of caustic cleaners with one simple, safe solution. Clean the whole house: from glass, stainless steel, and tile down to softest fabrics, carpet, even wood. Powers through grime, stains and odors, yet does not harm people, pets or our shared environment when used as directed.

Directions: Add a smidge of TweetMint concentrate to water and mix. Use a light dilution 0.5-1 oz. (1-2 tbsp) per gallon of water for glass or tile. A medium dilution 1-2 oz. (2-4 tbsp) per gallon of water for pests like mildew. A strong dilution 3+ oz. (6 or more tbsp) per gallon of water for stronger pests and stains.

INGREDIENTS: PURIFIED WATER, ANIONIC/ NONIONIC SURFACTANT BLEND, GLYCERIN, ENZYMES, PEPPERMINT OIL, SODIUM BORATE.

Precautions: Avoid contact with the eyes to prevent irritation; immediately flush with water if contact occurs. In case of accidental ingestion, contact a physician. Do not allow children to handle unattended.
