KEEP OUT OF REACH OF CHILDREN CAUTION

PRECAUTIONARY STATEMENTS

Harmful if swallowed. Avoid eye contact and prolonged or repeated skin contact.

FIRST AID

If Swallowed: Call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

GENERAL INFORMATION

ODOR ELIMINATOR RTU eliminates organic odor as the source. These are pet odors, smoke, dead animals, excrement (urine and feces), spoilage odors, vomit and others. ODOR ELIMINATOR RTU is a proprietary blend of enzymes derived via fermentation of selected bacterial and fungal strains and formulated into a stable fast-acting blend.

DIRECTIONS FOR USE

Apply at full strength directly from the ready-to-use container where odors occur. This product is water soluble, biodegradable, non-polluting, and non-toxic to water and soil, roots and plants.

USE AREAS

Apply ODOR ELIMINATOR RTU where odors become a problem. This could be in garbage receptacles, basements, garages, bathrooms, sinks, urinals, drains, dumpsters, bar areas, kennels, livestock areas, cars, dog and cat sleeping areas, litter boxes, crawl spaces, attics, etc. ODOR ELIMINATOR RTU can be used on walls, floors and carpets.

Refuse Containers, Garbage Cans & Dumpsters: Apply ODOR ELIMINATOR RTU to the unit as often as possible and to the point of surface wetness to control odors.

Walls, Floors & Carpets: Begin by thoroughly cleaning areas with appropriate materials and methods. Spray ODOR ELIMINATOR RTU on all surfaces where odors might originate, including wall surfaces, floors and carpets. Note: Although ODOR ELIMINATOR RTU is designed to be non-staining, always test surface for colorfastness in an inconspicuous area before treating entire surface.

Crawl Spaces, Attics & Basements: Spray onto surfaces or dirt in crawl spaces that may produce or retain odors from mold, mildew, sewage, wildlife and pets.

Bathrooms: After cleaning, spray walls and fixtures to prevent lingering odors.

Pet Sleeping Areas, Kennels, Litterboxes & Livestock Areas: Remove pets and livestock before applying to kennels, barns, sleeping quarters, litter boxes, etc. Spray surfaces to wet. Let dry before allowing pets and livestock back into these areas.

STORAGE AND DISPOSAL

STORAGE: Store in original, closed container away from children and pets. Store away feed and foodstuffs.

CONTAINER DISPOSAL: **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

NOTICE TO BUYER

Seller warrants this product conforms to its chemical description on this label and is reasonably fit for the purposes stated on this label when used in accordance with directions under normal use conditions. This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions, or under conditions not reasonably foreseeable to seller. Buyer assumes all risk of any such use. Seller makes no other warranties, either express or implied.
