

All Seasons Liquid Bokashi™ is a safe, non-toxic compost starter used in conjunction with the All Seasons Indoor Composter™ to conveniently recycle food waste right in your kitchen.

All Seasons Liquid Bokashi™ controls odor normally associated with food decay, allowing you to conveniently start the composting process after every meal. The sweet, pungent aroma of the All Seasons Liquid Bokashi™ is a good sign the microbial activity has begun, and the food waste is beginning to ferment.

- Convenient spray liquid • Easy to store
- More servings than 2.2 lb. dry Bokashi

ALL SEASONS LIQUID BOKASHI™

All Natural • Non-Toxic

8 fl. oz. (240 ml)
Approx. 330 sprays (Lasts 2-3 months)

Ingredients: Filtered Water, Probiotic Lactic Acid Bacteria, Sugar Cane Molasses, Salt, Lemon Fragrance.

Usage: Place fresh food scraps in the All Seasons Indoor Composter. Thoroughly coat each new layer with 3-5 sprays of All Seasons Liquid Bokashi. Close the bin's lid tightly after each use.

Drain the compost liquid from the spigot as needed (every 2-3 days) to prevent putrefaction. Dilute the liquid (1 Tbsp. / 1 gallon of water) and use on indoor or outdoor plants. Once your bucket is full, refer to the product manual or visit www.SCDProbiotics.com for more information.

Storage: Store at room temperature, out of direct sunlight.
