BED BUG & LICE EXTERMINATOR LAUNDRY TREATMENT

For elimination of bed bugs, lice, fleas, dust mites, and most crawling pests. Scientifically researched and proved effective. Store at temperatures between 60 - 100°F.

Bed bugs can live up to one year between feedings. **Bed Bug & Lice Exterminator** products give you the power to be proactive in the fight against crawling pests.

Bed Bug & Lice Exterminator Laundry Treatment uses powerful and safe ingredients to rid your home of unwanted pests while you do the laundry! For best results, use the product when washing potentially infested clothing, linens, towels, drapes, rugs, furniture covers and other washable items.

Directions: Add one ounce directly to wash load. Wash with warm or hot water (Always use cold water when following manufacturer's instructions for washing fabrics). Repeat if necessary.

Active Ingredients: Sodium Lauryl Sulfate 3.0%, Sodium Chloride 1.0%, Citric Acid 0.20%. **Inert Ingredients:** Water, Urea, Sodium Benzoate, Potassium Sorbate. **Ingredients listed total 100%**

This product qualifies for exemption from registration with the EPA under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).

Keep out of reach of children. Avoid eye contact. For eye contact, flush or wash with plenty of water. If irritation persists, seek medical attention. Do not drink product.
