DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ ALL DIRECTIONS BEFORE USING THIS PRODUCT

Shake Well Before Use

GENERAL INFORMATION

This product is a ready to use spray. Shake well before using. This product controls listed insects on contact or by ingestion. The product acts on insects by way of repellence, anti-feedant action and interference with the molting process. This product controls listed diseases by inhibiting mycelial fungal growth. The efficacy of this product is dependent on weather conditions, intensity of pest population, area of application, and physical stages of pests and crops.

CROP USES

This product may be used on bulbs, cucurbits, fruiting vegetables, leafy and brassica (cole) vegetables, legumes, root and tuber vegetables, small fruit and berries, citrus and tropical fruits, pome and stone fruits, tree nuts, herbs and spices, grass, lawn, and ornamentals

APPLICATION AND DRENCH DIRECTIONS

Apply this product as a foliar spray or as a soil drench to control listed pests. When applied as a soil drench, avoid excessive run-off. When using as a foliar application, ensure thorough coverage of plant surfaces, but avoid pooling or run off.

Avoid spraying under conditions of high humidity and high temperature (>90°F). To avoid potential leaf burn, apply the product in early morning or late evening. Always test the product on a small portion of plants for compatibility before treating the entire plants.

(1) To Control Insects or Mites: Apply this product at the first sight of insects/mites in a 7-10 day interval. For heavy insect populations, apply in a 7 day interval. This product is most effective when applied before insects or eggs are present in large numbers.

(2) To Control Diseases: This product is most effective in controlling diseases when applied as a preventative before the diseases are present. Apply the product to cover all the plant tissue in a 10-14 day interval.

(3) To Control Nematodes and For Soil Use: Apply to achieve a complete coverage of the oil with a 10-14 day interval.

PESTS

This product may be used to control a variety of insects and diseases listed below.

Aphids such as: Cotton Aphid, Cowpea Aphid, Pea Aphid, Green Peach Aphid

Fusarium Oxysporum, Pythium, Rhizoctonia Solani

Nematodes such as: Dagger Nematode, Reniform Nematode, Soybean Cyst Nematode, Lance Nematode, Root Knot Nematode, Sting Nematode, Lesion Nematode

STORAGE AND DISPOSAL

Store in room temperature ($>72^{\circ}\text{F}$) where possible. Do not store this product above 104°F for extended periods of time. Avoid storing below 35°F to prevent freezing. Store out of reach of children and pets and away from direct sunlight, windows, flames and other sources of heat or ignitions. Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals****ENVIRONMENTAL HAZARDS**

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

WARRANTY

Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
