GESTIONARLAN PESTES

**PACKAGE INCLUDES:**  
*PAQUETE ICLUYE:*

4 – Trap • trampa  
4 – Hanger • Hanger  
Instructions • Instrucciones

## Using the Trap

Certain species of thrips, aphids, hoppers, beetles, and even some grass-hoppers are attracted to this green color. When they land, they get stuck, die.

## How to Deploy the Trap

Hang trap about 1 ft (31 cm) to the side or above host plants. Combine with the Pest Wizard™ Western Flower Thrips Kit for even better result.
