Harris Rodent Repellent Spray

is formulated with active ingredients approved
by the U.S. EPA as a minimal risk pesticide.

PRECAUTIONARY STATEMENTS Hazards to Humans and Domestic Animals

Avoid contact with eyes and skin. Causes eye and skin irritation. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
If on Skin: If skin irritation occurs, wash with mild soap and water. Discontinue using the product. If irritation persists, contact a physician for treatment advice. **If Swallowed:** Call a poison control center or doctor for treatment advice.

DIRECTIONS FOR USE

Read the entire label and SHAKE WELL BEFORE USE.

Use as a rodent repellent and chewing deterrent in cars, boats, RVs/Campers, trucks, cabins, barns, storage buildings, warehouses, offices, machinery, and homes. Spray targeted areas, such as under cabinets, in basements or crawl spaces, around the exterior of structures or vehicles, or bottom of fencelines, garden areas, trash containers, attics—or anywhere mice and rats may be trailing or nesting liberally until it becomes damp. Treatment should be repeated after the odor diminishes.

USE RESTRICTIONS: For use only in Non-Food areas. Do not treat surfaces likely to be contacted by food. Do not treat toys and stuffed animals with product. Product contains water and may damage or decolorize paper, fabric or some delicate surfaces or finishes. To avoid possible damage to furniture, test in an inconspicuous area before application. Not for use on pets or humans. Do not apply this product around electrical equipment due to the possibility of shock hazard.

NOTE: If you have a severe infestation we recommend using humane rat or mouse traps or other pest control methods. To discourage infestation and reinfestation, remove sources of rodent food, water, and harborage as much as possible.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Storage: Store only in original container, in a dry place inaccessible to children and pets. Avoid heat and direct sunlight. Protect from freezing. **Disposal:** Do not reuse this container. Place in trash or offer for recycling, if available.

This product has not been registered by the United State Environmental Protection Agency. P.F. Harris Manufacturing Company, LLC represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act.

Limitation of Liability: P.F. Harris Manufacturing Company, LLC makes no warranties of merchantability or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibilities for safety and use not in accordance with label directions and precautionary statements.

See SDS for more information.
