## Natural Insect Repellent Fly & Tick Spray

Made with essential oils that repel insects. No industrial pesticides.

### SHAKE WELL BEFORE EACH USE

**Directions:** For animal use, brush fur/hair to remove dust and dirt prior to application. Turn trigger to select wide spray. For direct application to animals or humans, spray onto body then lightly brush or wipe into fur/skin. For wipe on applications, spray onto cloth or sponge and wipe on in the direction of the hair. Do not saturate animal's fur/hair. Avoid application near eyes and mucus membranes (use BugPellent Gel for these areas). For skin sensitivities, test in small area and observe for any irritation prior to normal use. **Caution: Keep out of reach of children.** Consult doctor before using if you are pregnant or nursing and before use on children.

Consult veterinarian before using on pregnant or nursing animals, or animals with any medical conditions. Do not use on cats.
