1. Repellent CARDS are Ready Right Out of the Box.
2. Attach Repellent CARD on Wire - Push in to the Flower Pot/Container/Ground Near Plant.
3. Bend Wire to Hang Card on a Tree/Bush Branch.
4. Season Lasting. Pet and Environment Safe.

DEER GUARD CARDS are a repellent not considered a pesticide by federal or state regulatory agencies. STANDARD CAUTION: Treat CARDS with general care as with any consumer product. Keep CARDS out of reach of children. Store CARDS in a cool location. Recommend using gloves as there is a slight stickiness in handling. Use vegetable oil followed by hand soap and water washing to remove any stickiness.
