

TANGLEFOOT

SINCE 1885

CAUTION

CONTENTS UNDER PRESSURE.
KEEP OUT OF REACH OF CHILDREN.
See back panel for additional information.

NET WT. 9 OZ (255 g)

TANGLEFOOT TREE PRUNING SEALER is a ready-to-use, all-weather sealer. It seals pruning cuts and tree wounds while providing a flexible waterproof seal.

READ DIRECTIONS BEFORE USE: Shake well before using. Spray with can upright 6" (15 cm) from area to be sprayed with nozzle pointed away from eyes. Spray in short bursts using even strokes.

Trees can be pruned anytime, however, the best time is during the dormant season. When removing branches, make cuts at the trunk or fork of the tree cutting at a slight angle, cutting just beyond the branches bark ridge. Always make clean, sharp cuts.

PROPER METHOD OF CUTTING BRANCHES

To prevent injury "undercut" before sawing from above, as shown in diagram.

CAUTION: CONTENTS UNDER PRESSURE. Exposure to heat may cause bursting. Do not puncture, incinerate or store above 120°F (49°C). Avoid prolonged exposure to sunlight. Avoid breathing vapors or vapor mist. Contains petroleum distillates. If swallowed, do not induce vomiting. Call a physician immediately. Eye and skin irritant, in case of contact with eyes and skin, flush thoroughly with water.

STORAGE AND DISPOSAL: Store in a cool, dry place, inaccessible to children and pets. Keep tightly closed in original container. Please recycle container when empty. Do not reuse. If recycling is not available, wrap in newspaper and discard in trash.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

WARNING: This product can expose you to chemicals, including Bitumens, which are known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.
