

## SLUG ZAPPER FENCE® INSTRUCTIONS

Controls: Slugs, and any crawling insect on the ground

**WHEN TO USE:** The Slug Zapper Fence can be used in any weather condition\*. It does not get damaged by staying in the open air, direct sunlight, or light precipitation.

**HOW TO USE:**

**STEP 1: "CONNECTING THE BATTERY"** Open the 2 battery packs on either side of the battery holder. Insert the 9V battery and attach it to the battery clamps. Close till you hear the click sound. Turn on/off to view the green light.

The battery holder can be put directly on the ground, on a raised bed, or on any surface in the garden.

**STEP 2: "FENCE INSTALLATION"** Hold the roll and keep the pegs/clamps provided in the box near you. Clip the pegs/clamps to the belt 2-3 ft apart. Install the fence on the ground by pushing the clamps into the soil as you move along.

**STEP 3: "FIXING THE END"** Attachment at the end of the fence can be attached to some wood or left on the ground to sit by itself. Use one of the pegs/clamps close to the attachment end to hold it. It is not mandatory to use the pegs/clamps. Depending on the surface, the fence can be left unattached from the other end.

**GENERAL APPLICATION TIPS:**

- Close the battery holder properly after battery installation.
- Do not twist the fence as it may damage the conductors.
- The Slug Zapper fence is pets and children safe\*. Caution is advised due to electric charge flowing through the fence. **Keep out of reach of children.**
- Do not pull the wiring forcefully as it might damage the connections,

**Storage:** During the off-season, take the pegs/clamps off the ground. Make sure the fence is dry. Roll the fence the way it is packed when bought. Unplug the battery. Store in a dry box away from water or other possible damages.

\*Excessive rain or snow may result in water accumulation around the fence, thus impacting the conductors in long term. Prevent the battery holder from being submerged in water or snow. Check for water entering the holder.

**CONDITIONS OF SALE & WARRANTY:** Environmental Factor warrants that this product conforms to the description on the label. Use and storage of this product is beyond the control of The Environmental Factor or the distributor.

Environmental Factor or the distributor makes no other expressed or implied warranty of fitness or merchantability or any other expressed or implied warranty.
