### CAUTION

**STORAGE AND DISPOSAL:** Store only in original container in a dry place inaccessible to children and pets. Do not reuse empty containers. Offer for recycling if available or discard in trash.

**PRECAUTIONARY STATEMENTS:** Avoid contact with eyes, skin, or clothing. Wear eye protection and gloves when handling. Not for Aquatic Use.

**FIRST AID:** If in eyes, flush with water for at least 15 minutes. If on skin, wash with plenty of soap and water. Get medical attention if irritation persists.

Do not apply this product undiluted.  
Do not apply to plants grown for food or edible parts of plants.

"When used as directed", Trifecta Outdoor Pest Control is safe and effective for treating mosquitos, gnats, fleas, ticks, and spiders without being harmful to people, pets, and the planet. *Avoid spraying between 10:00 AM and 6:00 PM* when bees and other pollinators are actively foraging, and foliage is susceptible to damage from intense direct sunlight.

Use for Lawns, Patios, Bushes, Backyards, and Foundations

### DIRECTIONS FOR USE: SHAKE WELL BEFORE DILUTING

**Hose End Sprayers:** Add 8oz. of the concentrate into a standard 32oz. hose end sprayer and fill the remaining 24oz. with water. Make sure control lever is in the "off" position. Attach hose to sprayer and ensure faucet is on. Turn control lever to "on" position and spray entire yard thoroughly, including the trunks of trees into the foliage, shrubs, bushes, and the foundational areas of structures.
