Suggested Application Guide

Top Dress:
Apply between 1-3 inches or 2 lbs to 10 square feet area.

Repeat as plants use up nutrients

Potting Mix:
Add 1 part VermisTerra Earthworm Casting to 3 parts media or coco coir and blend.

Easy Garden Guide:
Apply when blooming, and again when fruiting. Add VermisTerra Earthworm Casting accordingly:

Flowers & Potted Plants	Vine, Nut, Stone Fruit	Vegetables
		
Apply 1-3 Tablespoons once per season	Apply 1/2 lb per 1 sq/ft or 1/2 bag per 10 sq/ft	Apply 1 lb per 1 sq/ft or 1 bag per 10 sq/ft
