concentrate made from
10,000 year old active and
complex materials designed
to give you the garden and
lawn that you have only
dreamed of. Try it.
You'll like it -
WE GUARANTEE IT.

DIRECTIONS FOR USE:

Invert & shake well before use.

- **Safe:** For all outdoor & indoor plants.
- **Easy Application:** Apply directly to foliage with water by spraying, watering can, or other device. For flowering plants, apply to base of plant.
- **Plant Maintenance:** Mix 3 oz. per 1gal. of water. Use every 2-4 weeks via watering can or spraying device.
- **Lawn Maintenance:** Cool Season- 6oz. per 1,000sqft. every 30 days with water | Warm Season- 12oz. per 1,000sqft. every 30 days with water.
- **At Seeding:** Use 3oz. per 1gal. of water. Wet soil with mixture before & after seeding.
- **Transplanting:** Flowers/Veggies- Mix 4oz. in 5gal. water, dip roots in solution and plant as usual. Shrubs- Mix 4oz. in 5gal. water, pour entire solution in planting hole. Trees- Mix 8oz. in 5gal. of water, pour entire solution in planting hole.

For first time application do not spray during extreme summer heat or drought conditions. For best results, spray (3) times before conditions prevail or spray after these conditions pass to accelerate recovery.
