#### ERFECTING DR. EARTH

The pulse of our company comes from our position at the very heart of innovation. Innovations become our guiding lights. We value them and what they stand for, When you love a brand, you follow it into new places to fuel progressive growth and positive change that benefits everyone. Innovation is the engine of Dr. Earth', and we ensure that it is always viable throughout our enterprise. We understand and value the high-energy green & natural movement. Our hard work and vision has contributed to its incredible growth. As we make great investments in our future and the future of pure & natural, we welcome progressive gardeners to join us.

## PEOPLE & PET SAFE: THE DR. EARTH® PLEDGE

Please see the Dr. Earth® Pledge on our front label under People & Pet Safe." Our products are considered people and pet safe because we do not use ingredients such as biosolids, chicken manure, composted household waste, or synthetic chemicals which can potentially bring additional health risks to your garden. We will never use any ingredients that might cheapen the integrity of our products.

TruBiotic® is a broad spectrum biological soil inoculant designed to bring life to all soil types in backyard gardens or in container plants.

#### FLOWERS, VEGETABLES & GROUND COVERS

#### FOR PLANTS OR DIRECT SEEDING:

Evenly broadcast 11/2 cups per 10 square feet, or 1% cups per 12 feet of row, with a good quality soil amendment. Mix thoroughly into the soil (approximately 4"-8" deep). Water thoroughly.

### CONTAINER **PLANTS**

#### FOR PLANTS OR DIRECT SEEDING: When planting, mix 2 tablespoons

to each quart of potting medium, or 1/2 cup per 1/2 cubic foot (approximately 5 gallons) of soil. Mix well with the soil. Install plant. Water thoroughly. Your new

#### INDIVIDUAL PLANTS TRANSPLANTED

## FROM CONTAINERS NEW TRANSPLANTS:

Once you have dug the planting hole to the correct size, mix 2 tablespoons per 4" container or 1/4 cup per 1 gallon container with your soil and a good quality soil amendment. Install plant, and water thoroughly.
