## SHAKE WELL BEFORE USING

### DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Avenger® Weed Killer is a broad spectrum weed killer that contains d-limonene. D-limonene is the citrus oil that is extracted from the rind of oranges. It is non-selective and controls most annual weeds, both grasses and broadleaves. It is recommended for areas including borders, around driveways, patios and sidewalks, around mature trees and ornamentals, around buildings, in greenhouses containing non-food crops, fencerows and around flower beds.

Avenger® Weed Killer is fast acting with quick visible results. Foliar contact results in control of annual grasses and broadleaves and top growth reduction of deep rooted perennial weeds. Re-treatment may be required for control of perennial weeds or older, hardier weeds. For best results, shake bottle vigorously and thoroughly coat target weeds. A white emulsion should be visible when spraying to visually mark the sprayed weeds. If this white emulsion is not seen, shake bottle again to ensure complete mixing.

**For Control of SMALL ANNUAL WEEDS:** Apply Avenger® Weed Killer to the foliage of the small weeds (less than 6 inches) making sure leaves are thoroughly wet and uniformly covered. Do not apply if a strong threat of rain is expected within 2 hours.

**For Control of LARGER ANNUAL WEEDS and BURNDOWN of PERENNIAL WEEDS:** Larger annual weeds (more than 6 inches) and perennials are more difficult and may require re-treatment. Treat as described above. Best results are obtained when applied to young, actively growing weeds. Weeds that are mature, dormant or hardened due to moisture stress are more resistant to herbicide treatment.

Do not apply this product through any type of irrigation system.

**NOTE: All contacted vegetation is affected. Avoid contacting desirable plants. Overspray or drift will injure or kill contacted vegetation.**

**DO NOT spray on lawns – it will damage or kill treated grass.**

## Weed Killer

## STORAGE AND DISPOSAL:

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE:** Store in a cool, dry place and in such a manner to prevent cross contamination with other pesticides, fertilizers, food and feed. Store in original container and out of the reach of children, preferably in a locked storage area.

**PESTICIDE DISPOSAL:** To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program (often such programs are run by state or local governments or by industry).

**CONTAINER DISPOSAL:** Nonrefillable container. Do not reuse or refill this container. Triple rinse or pressure rinse container (or equivalent) promptly after emptying. Offer for recycling, if available. Otherwise puncture and dispose of in a sanitary landfill or by incineration. Do not burn, unless allowed to by state and local authorities.

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Harmful if inhaled. Avoid breathing vapor. May cause eye or skin irritation. Wash thoroughly with soap and water after handling.

### PHYSICAL AND CHEMICAL HAZARDS:

Combustible: Do not use or store near heat or open flame.

### ENVIRONMENTAL HAZARDS:

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark.

Do not contaminate water when disposing of equipment washwaters or rinsate.

### Conditions of Sale

The **Directions For Use** of this product reflects the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result, because of factors such as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of Avenger® Products, LLC or the Seller. To the extent consistent with applicable law, all such risks are assumed by the Buyer.
