GROW PART A (THIS IS A 2-PART NUTRIENT)

The combination of Grow A and B provides nutrient inputs required for vegetative development in plants.

GUARANTEED ANALYSIS: 3-0-2

Total Nitrogen (N) 3.0%

3.0% Nitrate Nitrogen

Soluble Potash (K_2O) 2.0%

Calcium (Ca) 4.0%

Derived From: *Calcium Nitrate and Potassium Nitrate*

DIRECTIONS FOR USE:

Add desired amount of Grow A to water and mix well, then add equal parts Grow B to water and mix well. If using additives, mix in well now.

FEEDING RANGE | APPLY ONLY AS DIRECTED

Please see Rx Green Technologies Feeding Schedules for more specific application rates

4-8 ml/gal

-Always use equal parts of A and B

-PPM are on the 500 scale, using distilled water

-Depending on type of feeding system and environment, rates may need to be adjusted up or down

pH Tips

-These products work best when pH is unadjusted prior to application.

-A pH range of 3.0-6.0 with these products is safe for plants.

-If necessary, adjust pH down using an acid-based product such as phosphoric or sulfuric acid.

-If necessary, adjust pH up using a potassium hydroxide product. Silicates and carbonates may cause unwanted pH fluctuations.

KEEP OUT OF REACH OF CHILDREN

SHAKE WELL BEFORE USING

STORE IN COOL DARK PLACE FOR OPTIMAL SHELF LIFE

WARRANTY: Rx Green Technologies, LLC warrants that this product conforms to the analysis on its label. When used in accordance with label directions, under normal conditions, this product is reasonably fit for its intended purposes. Since timing, method of application, weather, plant and soil conditions, mixture with other chemicals and other factors affecting the use of this product are beyond our control, no warranty is given to the use of this product contrary to label directions or under conditions which are abnormal or not reasonably foreseeable. The user assumes all risks of any such case.
