## Clearwing Borer Moths

Each of these seven moths may be attracted by the pheromone lure in the Peach Tree Borer Trap. It is important to check the trap to see which kind of moth, or moths, it has caught.

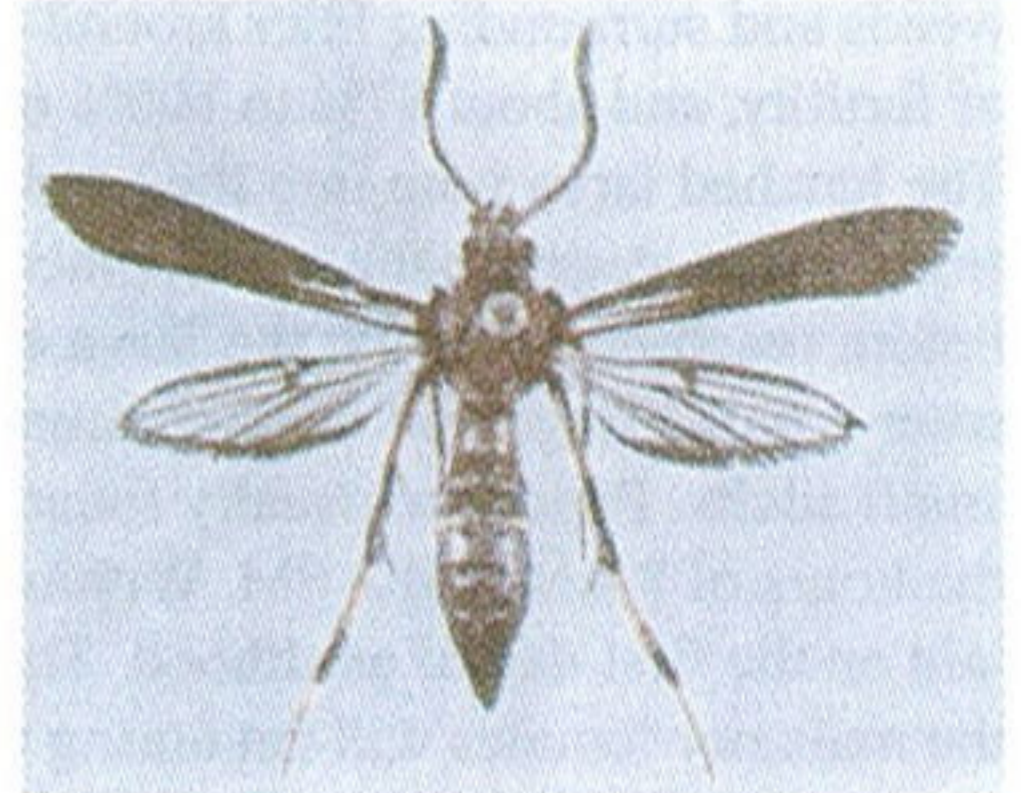

Peach Tree Borer  
*Synanthedon exitiosa*

Lilac Borer (Ash Borer)  
*Podosesia syringae*  
Eastern Color Form

Lilac Borer (Ash Borer)  
*Podosesia syringae*
