

**NONTOXIC  
EASY TO USE**

**OLSON**

# **GARDEN GUARD YELLOW STIKY RIBBON**

**Captures: Beetles, Aphids, Leaf Hoppers,  
White Flies, Thrips and Most Flying Insects**

Product # PCR100 2" wide x 100 ft. long polyethylene tape coated on both sides with Olson Stiky Stuff Adhesive. Made in USA. EPA EST #065016-OHF001

Place Olson Garden Guard around the perimeter of your garden. Wrap it around stakes that are driven into the ground. Two rows of ribbon starting about one foot above the ground and another about two feet higher. Using vinyl gloves when working with OGG will make cleanup much easier. Adhesive may be removed with vegetable oil, soap and water.
