Section I

<p>Manufacturer's Name St. Gabriel Organics</p>	<p>Emergency Telephone Number (800) 801-0061 Toll Free</p>
<p>Address <i>(Number, Street, City, State, and ZIP Code)</i> 14044 Litchfield Drive Orange, Virginia 22960</p>	<p>Telephone Number for Information (540) 672-0866</p>
	<p>Date Revised: November 6, 2008 Revised by: Cathy A Stiles</p>

Section II - Hazard Ingredients/Identity Information

Hazardous Components (Specific Chemical Identity; Common Name(s))	OSHA PEL	ACGIH TLV	Other Limits Recommended	% <i>(optional)</i>
Fullers Earth Cas # 8031-18-3		[1]		
Silica Quartz Cas # 14808-60-7	[2]	[3]		Contains Less than 5%
Castor Oil Cas # 80001-79-4				

Section III - Physical/Chemical Characteristics

Boiling Point N/A		Specific Gravity	1.08
Vapor Pressure (mm Hg.)	N/A	Freezing/Melting Point	Not applicable
Vapor Density (AIR = 1)	N/A	Volatile	Less than 35%
Solubility in Water Insoluble			
Appearance: Tan granules with no odor			

Section IV - Fire and Explosion Hazard Data

Flash Point (Method Used) Did not Flash	Flammable Limits Not flammable	LEL N/A	UEL N/A
Extinguishing Media Use extinguishing agent applicable to surrounding fire.			
Special Fire Fighting Procedures N/A			
Unusual Fire and Explosion Hazards NONE			
NO FIRE OR EXPLOSION HAZARD			

Section V - Reactivity Data

Chemical Stability stable	Other Properties None		Conditions to Avoid N/A
Incompatibility (Materials to Avoid) N/A			
Incompatibility (Materials to Avoid) continued N/A			
Hazardous Decomposition products None known			Conditions to Avoid None

Section VI - Health Hazard Data

Route(s) of Entry:	Inhalation? Yes	Skin? No	Ingestion? Yes
Health Hazards (<i>Acute and Chronic</i>) N/A			
Emergency Overview: This product is a non-combustible, chemically inert material. This material contains a small amount of naturally occurring Silica as Quartz. Prolonged exposure to respirable crystalline silica may cause lung disease. IARC, in Monograph 687, has concluded that crystalline silica inhaled in the form of quartz from occupational sources is carcinogenic to humans; however, carcinogenicity was not detected in all industrial circumstances studied. Because applications and exposure data indicate that exposure to respirable quartz in this product with normal use is well below the OSHA permissible exposure limit and threshold limit value; because the company is not aware of any scientific or medical data available indicating exposure to dust from this product under conditions of normal use will cause silicosis or cancer, adverse affects would not be expected from normal use of this product.			
Medical condition generally aggravated by exposure. N/A			
Carcinogenicity: This product is a non-combustible, chemically inert material. This material contains a small amount of naturally occurring Silica as Quartz. Prolonged exposure to respirable crystalline silica may cause lung disease. IARC, in Monograph 687, has concluded that crystalline silica inhaled in the form of quartz from occupational sources is carcinogenic to humans; however, carcinogenicity was not detected in all industrial circumstances studied. Because applications and exposure data indicate that exposure to respirable quartz in this product with normal use is well below the OSHA permissible exposure limit and threshold limit value; because the company is not aware of any scientific or medical data available indicating exposure to dust from this product under conditions of normal use will cause silicosis or cancer, adverse affects would not be expected from normal use of this product.			
This material has not been identified as a carcinogen by NTP, IARC, or OSHA			
Emergency and First Aid Procedures			
In case of contact: In case of eye contact flush eyes with water for 15 minutes. Seek medical attention. Ingestion: Encourage fluid intake. Seek medical attention if symptoms develop or persist. Inhalation: Remove to fresh air, Seek medical attention if cough or other symptoms develop or persist.			

Section VII - Precautions for Safe Handling and Use

Steps to Be Taken in Case Material is Released or Spilled Small spill: With shovel or scoop, place material into appropriate container. Large spill: Use same methods described for small spills.
Waste Disposal Method Dispose of this product in accordance with all applicable local, state, and federal regulations.
Precautions to Be taken in Handling and Storing Minimize dust generation and accumulation. Avoid breathing dust. Use with adequate ventilation. Avoid prolonged or repeated contact with skin. Wash thoroughly after handling.
Other Precautions N/A

Section VIII - Control Measures

Respiratory Protection (<i>Specify Type</i>) Dust mask		
Ventilation Local exhaust recommended	Local Exhaust yes	Special N/A
	Mechanical (<i>General</i>) N/A	Other N/A

Protective Gloves Oil/solvent resistant	Eye Protection Goggles
Other Protective Clothing or Equipment None required	
Work/Hygienic Practices Wash before eating	

Section IX - Special Precautions

Emergency Telephone Number: Medical or Technical: (800)801-0061

The above information is believed to be correct, but does not purport to be all inclusive. This data should be used only as a guide in handling this material. Holey Moley/St. Gabriel Organics shall not be held liable for any damage resulting from handling or from direct contact with this product.
