

**EM® BOKASHI BRAN**

**5LB BAG**

EM® Bokashi Bran is enriched with useful microorganisms that prevent the development of unpleasant odors of organic waste.

**100 % NATURAL INGREDIENTS: ORGANIC  
RICE BRAN, EM-1®, AND MOLASSES**

**USE: FOR USE IN BOKASHI  
ORGANIKO COMPOSTER**

## **DIRECTIONS:**

1. Sprinkle a generous layer of EM® Bokashi Bran on the bottom of the bucket before adding any food wastes.
2. Add food wastes, sprinkling EM® Bokashi Bran on the food wastes. Close the lid to keep airtight between uses.
3. Continue adding layers until the bucket is full.
4. Push down with masher to compress.

**Close package after use. Store in a cool, dry place.**

**NOTE:** Sometimes a beneficial white mycelium will show up on the product. This is beneficial.
