

Hardback Coat Measuring Guide

Have someone measure you using a cloth/flexible plastic tape (tailor tape). Do not use metal tape measure. Wear exactly what you'll have on under the shooting coat.

Chest-Measure around the chest (under the arms) at nipple level.

Waist-Measure around the body at the belly button level.

ARM MEASUREMENTS ARE ONLY FOR ORDERING THE DELUXE HARDBACK COAT

Arm Length Guide

For best results, pretend you're shooting in the standing position while measuring.

Center Back to Elbow-Measure from spine bump between shoulder blades, across to the point of your shoulder, then down to the point of your elbow.

Elbow to Wrist-Measure from the point of the elbow to your wrist bone.
