### INFORMATION ABOUT YOUR ORDER

**SHIPPING** – When possible we try to combine items into as few shipments as possible. Supplies will be shipped upon receipt of order. Spring planted bulbs and roots will be shipped from April through May, earlier if weather permits. We are not able to ship perishable stock when temperatures are freezing; however, we will make every effort to ship at the proper planting time for your area.

**FUTURE CATALOGS** – Your order will guarantee free catalog service from us for the next two years. Prices in this catalog are effective until June 30, 2016 or while supplies last, except where noted.

**CATALOG ERRORS** – We strive to ensure our catalog information is correct. If an error should occur, we reserve the right to correct it. Corrections will be posted in the variety description on our website, [www.mzbulb.com](http://www.mzbulb.com).

*Our Guarantee to You*  
**Commercially propagated bulbs,  
Healthy bulbs, true to name...**

We guarantee your bulbs and rootstocks will arrive in excellent condition and will be true to name. If you have any doubts about quality when your planting stock arrives, tell us promptly. We'll replace the unsatisfactory material or refund the full price and shipping, whichever you prefer. We reserve the right to request return of the merchandise to receive adjustments.

If any plant material fails during the growing season and we are notified within one year from date of shipment, we will replace it one time or issue a credit toward future orders provided the stock has been planted according to instructions and in growing zones recommended in our catalog. Sale items will only be issued a credit voucher for the purchase price. We do not guarantee against losses due to weather, animals or other factors beyond our control.

**Deter destructive deer, rabbits and squirrels for up to 3 months with just one application of Deer Off® II Deer & Squirrel Repellent.** Approved for use in organic gardening, this all natural, fast-acting, water-resistant formula repels by both odor and taste. Dries odorless to humans. Stronger than the original formula, but completely safe to use around children and household pets and it won't harm plants or the environment.  
#52055–32 oz. RTU spray (covers 500 sq. ft) 22.95  
#52056–16 oz. Concentrate (makes 1 gallon) 29.95

**Molemax® protect your bulbs from moles, voles, gophers, skunks, ground squirrels, rabbits and more!** After placing the bulb in the hole, surround it with 1 tablespoon of castor-oil based Molemax® granules and then cover the bulb with soil. Protects up to 3 months. Spread on lawns and flowerbeds for additional repellent action. Safe to use around people and pets, biodegradable and will not harm lawns or plants. 5 lbs. covers 2500 sq. ft.  
#52005–5 lb. shaker 16.95

#### 3-Way Digital Soil Analyzer

Take the guess work out of growing healthy, vigorous plants. Measure soil pH, soil fertility and soil temperature all with one compact device. This soil analyzer has easy-to-read digital output that clearly shows results that are calibrated scientifically for accuracy. Guides and instructions are included for all 3 functions. Batteries included.

#51303–Each 34.95

#### AlgoPlus Liquid Fertilizer for Flowering Plants.

Holder of 28 world records. This patented fertilizer from Europe increases a plant's size, strength and bloom production at a rate that's nearly unbelievable. It contains no chlorides, carbonates or sodium – plus it's odorless, colorless and environmentally safe. Ideal for all flowering plants. Use one capful per gallon of water as a regular feed or ½ capful to spray directly on the foliage. A one-liter bottle makes more than 100 gallons of fertilizer.
