

## **A Partnership that Changes Lives**

Serrv's partnership with Comité Artisanal Haitien (CAH) is one of our oldest and strongest. Throughout the years we have worked side-by-side to reinforce markets for Haitian artisans like Jean Claude, a stone carver, and find creative ways to develop new techniques for products. After the devastating earthquake in 2010, Serrv mobilized support to ship tools, emergency supplies and donations to CAH to help artisans get back on their feet. We continue to work closely together to address the high rate of poverty in Haiti and support artisans to better their lives.
