

MAGIC WIRE

INSTRUCTIONS:

 <p>Take about 50mm from the end of each wire.</p>	 <p>Hold one wire fixed position. Strongly swirl the other wire in the end of the wire .</p>
 <p>Hold the centre of each wire slightly.</p>	 <p>Pull both wire apart lightly. The wires will slide under finger as the wires turn. You'll see the wires will not be apart.</p>

Warning:

Use at your own risk, not recommend for children under 14 years old.
