TOMATO TOWER – Looking for an easy way to stake tomatoes without tying? Try our sturdy Tomato Tower. The easiest and neatest way yet to stake tomato plants – just guide the plant's central stem within the three-prong galvanized steel wires as the plant grows, and the Tower does the rest – by supporting plants upright it helps guarantee maximum yields of large, clean fruit – more fruit in less space! A three-pronged base keeps each Tower securely positioned in the ground. Height above ground is 4 ft. #53375. Pkg. of 3, \$26.95; 2+ pkgs. \$24.95 each
