On occasion, we are only able to supply treated seed of a variety. If you want only untreated seed please specify when placing your order.

**GUARANTEE**  
Your satisfaction is important to us. If there are issues with the products you receive, please keep all contents and packaging, and contact us within 72 hours.

A credit voucher in the amount of the purchase price, less shipping charges, will be issued one time for plants and seeds that fail to grow, provided they have been properly planted and cared for. We must receive notice of fruiting plants that fail to grow within 90 days of receipt of those items. Vegetable plants are only guaranteed to arrive in good condition. We guarantee that the seeds we sell conform to the label description, as required by state and federal seed laws, within recognized tolerances. We make no other guarantees, other than if seeds fail to germinate even after proper care according to our instructions. In all cases, our liability is limited to the purchase price of the item.

Plant material purchased at 35% off or more is not guaranteed, nor are plants lost due to weather conditions, neglect, disease, pest damage or other conditions outside of our control. Gardening supplies are satisfaction guaranteed against material and workmanship defects and may be returned for a replacement or refund within 30 days of receipt of the item(s).
