# THE TRADITION CONTINUES

---

As Fall arrives in the Carolinas, we are excited to carry on a tradition dating back to the 1920's, when TB Young began growing pecans in the heart of the Carolinas. Now, over 100 years later, we are still thrilled to offer the finest pecans and specialty food in the South.

We take immense pride in providing exceptional products to you and your loved ones both near and far. No matter where you call home, our wish is that you experience our dedication to southern hospitality in every bite.

We hope you enjoy this year's catalog with our finest pecan gifts and baked delicacies, true southern staples that are perfect for any occasion. Above all, we want to thank you for your support and dedication to Young's.
