

YOUNG'S

A CAROLINA TRADITION

Prices through September 2022

THE TRADITION CONTINUES

As we celebrate the centennial of the Young's brand, we are honored to carry on a tradition with abundant history dating back to the 1920's when TB Young began growing pecans in the heart of the Carolinas. Now, nearly 100 years later, we are incredibly proud to offer the finest gourmet pecans in over 16 tempting flavors, in addition to delicious snacks and baked goods.

While some things around here have changed, like our logo and official name change to Young's Premium Foods, the Young's traditions you have known and loved certainly have not. We take immense pride in providing exceptional products to you and your loved ones both near and far. No matter where you call home, our wish is that you experience our dedication to southern hospitality in every bite.

We hope you enjoy this year's catalog with our finest pecan gifts and baked delicacies, true southern staples that are perfect for any occasion. Above all, we want to thank you for your support and dedication to Young's. This past year has been difficult for many but one thing for certain is the Young's tradition will continue.
