CHAMP®

Portable Paint Booth

SKU: 1808695

Turn virtually any area of your shop into a dedicated paint and prep workspace.

The ***CHAMP®*** **Portable Paint Booth & Prep Station** gives collision repair professionals a flexible solution for spot repairs, sanding, buffing, cleaning and other preparation work—while helping keep your primary spray booth available for complete paint jobs.

- **Portable & Mobile**
  Move the station wherever it's needed in your shop, giving you greater flexibility as workloads change.
- **Free Up Your Spray Booth**
  Perform prep and spot-repair operations outside the main booth so your spray booth can stay focused on full paint jobs.
- **Ideal for Spot Repairs & Prep**
  Designed for sanding, buffing, cleaning and other preparatory operations.
- **Multi-Stage Filtration**
  Includes carbon filters, odor-ban carbon pleats, paint filters and pre-filters to help capture dust, overspray, odors and VOCs.
- **EPA 6H Compliant**
  Designed to meet EPA 6H requirements for mobile paint and prep operations.
- **Simple 110V Operation** Just plug it into a 110V outlet and get to work.
- **Made in the USA** Built for professional collision repair environments.

Filtration that works hard

Filter package includes:

(3) Carbon Filters
(2) Odor Ban Carbon Pleats
(1) Trifold Panel Filter
(12) Pre-Filters

Replacement filter kits are available separately.

Put your prep work in its own dedicated workspace.
