CHAMP® PRO Panel Tower

SKU: 1817008

Paint Multiple Parts at Once

The ***CHAMP®*** **Pro Panel Tower** is designed with flexibility, durability, and mobility in mind, this Panel Tower allows the painter to refinish both sides of any panel at one time. The heavy duty base design allows technicians to hang multiple panels without the fear of tipping. The full swivel, 4" locking casters enable the Panel Tower to easily move over the many surfaces within a shop. Eight adjustable arms and three different hook depths maximize versatility.

**Patent Pending*

- **High overall strength** with heavy duty base design.
- **Always balanced design,** handles mismatched weights and will not tip.
- **6' center tower -** easy to connect 3' sections.
- **Easy to assemble,** reduces the time spent by skilled shop employees.
- **3 hook sizes:** small, medium and deep.
