CHAMP® PRO
Adjustable Panel Caddy

SKU: 1817035

The **CHAMP® Pro Adjustable Panel Caddy** replaces the need for separate hood and panel caddies, our new design has removable support rods allowing for the right size, when you need it. When not in use, the support rods can be conveniently placed in the built in storage rack. The heavy-duty design is strong enough to handle any automotive panel. The full swivel, 4" locking casters enable the Adjustable Panel Caddy to easily move over the many surfaces within a shop.

- **8 adjustable slots** for hoods, panels, doors, etc.
- **(4) 4" locking swivel casters** give excellent mobility.
- **45" tall padded upright supports** for extra protection.
- **Premium construction**.
- **Convenient Storage** for padded supports.
- **Easy to assemble,** reduces the time spent by skilled shop employees.

Store and move any panel throughout your shop!
